Jen:

If I had the risk assessors or the FS team participating via the phone/web. Can they address a question if it comes up that is their area?

Thanks

Rob,

Due to the unexpected interest in this event, we regret to inform you that there is limited in-person seating available. We are asking stakeholders to limit in-person attendance to 5 individuals. However, those who wish to listen may participate by the conference line and webinar link provided in the agenda. Please provide us a list of who will be participating by conference line in advance of the meeting.

Thank you,
Jen

Diane & Jennifer:

1. Attached is the list of CPG attendees
2. Do we need to provide a list of CPG who would like call-in/login and listen?
3. When will the presentations and comments from the CAG, DEP and FWS/NOAA be available?

Thanks
